

Latham Ridge Service Club Updates!!

The Latham Ridge Service Club has been busy learning about how their efforts can make a difference to their community. Projects include:

- ❖ sprucing up the school library
- ❖ making 14 dog blankets for the Humane Society
- ❖ packing up books for the Parsons Child & Family Center
- ❖ making Valentines for the Veterans at the Stratton VA Medical Center
- ❖ making posters to advertise the Family Dance and Used Book Sale.

This spring promises to keep them active in additional community service projects they select to work on.

We thank Ms. Kim Kendrick, Professional Dog Groomer and volunteer at the Mohawk & Hudson River Humane Society, and Ms. Deidre Bruce from the Humane Society for talking to the kids about proper animal care and ways they can help the Humane Society. The students would also like to collect items to donate for the animals and could use your assistance with providing items identified on the Human Society's Wish List below. Additional items include: old (clean) towels, cleaning products, and peanut butter!

The students also chose to help the children receiving care at the Children's Hospital located at Albany Medical Center. They will assemble craft kits to be donated to the Hospital where children will be able to make paper crafts during their stay. This certainly will bring joy to their hearts as they receive important medical attention. Below are items you may wish to donate for this worthy cause.

Donations for both causes will be collected from **April 1 – 22** in boxes located in the school lobby. Please contact Kay Champagne, Service Club Leader, at 785-5143 with questions you may have.
